Order No: 1244 / Date: 31.08.26

Subject: Re-constitution / Implementation of the Student Proctorial System

To ensure continuous academic monitoring, personal counseling, and overall maintenance of discipline among students, the institution hereby implements a formal **Student Proctorial System** with immediate effect.

Under this system, individual staff members are designated as **Proctors** to act as local guardians for a specific group of students.

Key Guidelines and Operational Framework

- **Allotment Ratio:** Each staff member shall be assigned a batch of 20 to 30 students (proctees).
- **Mandatory Meetings:** Proctors must conduct formal meetings with their assigned students at least once a month to evaluate progress.
- **Record Maintenance:** Every proctor must maintain a Student Proctorial Record detailing attendance, internal assessment marks, and counseling notes.
- **Parent Communication:** Proctors are required to notify parents or guardians regarding severe attendance shortages (below 75%), poor academic performance, or acts of indiscipline.
- **Disciplinary Action:** Any major behavioral breach or indiscipline must be promptly escalated by the proctor to the central Disciplinary Committee via respective HoDs.

Enclosure: i. Department wise list of proctor & proctees.
ii. Student Proctorial Record template.
